

VSC9000 Excela-Wynd Speed Control Voucher

Builder: The cost of the Excela-Wynd Speed Control System is included in the purchase price of the Excela-Wynd hose reel from Marshall Excelsior Company (MEC).

Please mention this voucher along with the Excela-Wynd hose reel serial number to BASE Engineering when specifying your remote control/safety shut down system. This will ensure that the proper hose reel function buttons are included on the remote, and the VSC9000 Excela-Wynd Speed Control System is included in the BASE enclosure.
